

REUNION 2010

This year's reunion will be held at the Red Lion Hotel, Olympia, WA. This is located immediately adjacent to I-5 in Olympia, WA, about 45 minutes south of SEATAC International Airport. It is about 15 minutes south of Ft Lewis, WA (now called Joint Base Lewis-McChord) You are responsible for making you own reservations with The Red Lion by calling 1-800-325-4000 and telling them you are with the 14th Combat Engineers. It is important to identify yourself, because we have guaranteed a certain number of rooms, and accounting for those rooms is tied up in a whole lot of other features they provide free to us if we meet those minimums. You also must send the Registration Form shown below to Bernie Stalman (our Treasurer) to let us know who to expect. Remember, also, that you must be paid up (2010) on your dues or agree to pay your dues upon arrival.

Thursday is generally considered arrival day (you can come earlier if you want), and there is a Hospitality Room at the hotel where you will have a chance to meet and greet old and new (long lost) friends of the 14th Combat Engineers.

Friday will be our day with the active duty battalion stationed at Joint Base Lewis-Mc Chord. We are still working on the details, but you can bet it will be a day to remember.

Saturday is our day, and we will have our business meeting, election of officers and group pictures before noon and a "Meet and Greet" during the afternoon. In the evening we will have our Buffet Banquet and Auction and Raffle of donated items to raise money to assist the Battalion. Following the auction/raffle we will have a DJ to provide music for our entertainment and dancing until 2300 hours.

Sunday is a day for farewells and travel home.

Part of attending the reunion is attending the banquet. The room rates this year are \$89 (single/double occupancy) plus taxes. We kept the banquet fee at \$55 per person as we intend to cover some of the cost of a joint function with the troops of the battalion on Friday afternoon from this fee. Souvenirs and a DJ are included in this cost.
